The Superintending Engineer has pointed out the urgency in the matter. There is another also.
We can't keep the tenderers in suspense with their deposits carrying no interest. If the work cannot be started now, the earnest money will have to be refunded. If fresh tenders are called for we may not get the same advantage as the lowest tenderer is Rs 1830 more or less than the estimate. The decision of Govt in regard may be kindly communicated.

Mr. D. Baumiah has since written to me that he has addressed a letter (Copy enclosed) to the Manager, The Bank of Mysore Ltd., Mysore, authorising him to honor cheques drawn by the Executive Engineer, Special Div., Mysore, in favour of the Contractor entrusted with the Construction of the first floor up to a sum not exceeding Rs 10,000/- on the whole and to debit the same to his account. He also requests that a modified Stone Tablet with the following inscription may be placed in a prominent part of the first floor.

"Built by D. Chowdiah brother of Dharmaprakasha D. Baumiah. In memory of his beloved father Boodiah."

I am of opinion that on the strength of the letter addressed to the Bank the lowest tender now received may be accepted and the work ordered to be started immediately. The Conditions stipulated by Mr. Baumiah as regards the fixing of the tablet may also be approved. The tablet will be arranged to be fixed in a prominent part of the new Construction as soon as it is over, the name of the late Mr. C. Lakshmana Chetty will be included

towards the cost of the ground floor remaining as now where this

A separate reference will be made as regards the contribution payable from the Chaltram Savings Fund towards the construction of the first floor.

With reference to your letter No.298/Muz.56-31-2 dated 30th August 1931 and in continuation of my un-official reply dated the 11th idem on the above subject I have the honor to state as follows:-

The estimate for the construction of the building is for Rs.25[illegible] as sanctioned in Government Order No.2630-35/Muz.43-30-2 dated 16th Ju[illegible] 1931, and this will have t[illegible] be met out of the marginal noted sources.(vide G.O.No 2381-87/Muz.43-30-7 dated 2-5-1931). Mr. Banumiah has placed his ----- donation amount at the disposal of Government and including that a sum of Rs.18,000/- only is available during the current year for executing the work, since the contribution of Rs-15,000/- from the Chattram --- Savings Fund has been ordered to be paid in two equal annual instal[illegible] en and as such a provision of only Rs.7,500/- has been made in budget of the current year for the purpose. But it is urged by the Chief ---- Engineer that a sum of Rs.20,146/- being the tendered amount for the - work portion of the estimate may be placed at the disposal of the ----- Executive Engineer, Special Division, Mysore, immediately, since the work will have to be completed by the Special Division before its ---- abolition from 1st January 1932. In view of the urgency [illegible] I propose that the sum of Rs.3,000/- provided in the current year ---- Chattram Savings Fund Budget for the construction of Ayurvedic ---- Hospital at Old Agrahar, Mysore, may be appropriated [illegible] ---

Rs.10,000/- from Mr. Lanumiahs donation.	)
Rs.15,000From Chattram Savings Fund in two annual instalments.	)
500/ From State funds.	)

of the first floor on the college building as it
the former would be taken up this year. If this proposal is
approved by Government a sum of Rs.21,000/- can be immediately
placed at the disposal of the D.P.W. for carrying on the work portion
of the estimate during the current year.

I request that early orders of Government may be obtained ---
or the above proposal.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

GENL. & REV. SECRETARIAT

MUZRAI.

Dear Sir,

Muz 56-31-6 A.

Banumiah

Referring to para 2 of Government Order No.789-96/Muz.56-31-6 dated 2nd December 1931 approving of the proposal of Mr.D. Banumiah to have a tablet in a prominent part of the first floor of the ---- Ayurvedic and Unani College, I write to state that the name of the late Mr. G. Lakshmanachar who contributed towards the cost of ----- constructing the ground floor is now inscribed in two places, both - in Kannada and English characters, the former on the top in front of the dome portion and the latter down below. The idea of Mr. D. Banumiah seems to be that the inscription in Kannada on the top ---- portion should be removed and put along with the English inscription and that the tablet proposed to be put on his behalf inserted at the former place.

2. Mr. G. Srinivasa Desikachar son of the late Mr. G. Lakshmanacha has petitioned both to me and the Vice President, protesting against th construction of the first floor on the charity of his father, on the sentimental objections that the inscription put up in his father's name should not be removed.

3. On the occasion of my visit to the college on 1st November 1931 this was brought to my notice and it was on account of this I specifica said in Unofficial note dated 11th November 1931 that the name of Mr.G. Lakshmanachar should remain as now where it is, the tablet on behalf of Mr. Banumiah being fixed in a prominent part of the new construction. This point has not been brought out clearly in the order now issued. As the removal of the name of Mr. Lakshmanachar from the place where it is now inscribed in English and Kannada seems to be objectionable and as there can be no objection to put the inscription proposed by Mr. D. Banumiah in another prominent portion of the new structure built out of his contribution, I request that the matter may kindly be placed before

[illegible] clear, so that there may arise no [illegible] in future.

Yours sincerely,
